The Scleroderma Society

Founded in 1982 to help people with scleroderma and their families, the Society came about through the initiative of doctors who specialise in this field and because of their concern that, since the condition is comparatively rare, there are only a small number of these people in any one area.

The Society is based in Chichester, with local groups in areas where there is sufficient interest and membership to support one.

What we do

- Support people with scleroderma
- Increase awareness of scleroderma among the medical profession & general public to improve early diagnosis & prognosis
- Fund medical & scientific research

Why become a member?

- Contact other people with scleroderma and share experiences
- Learn more about scleroderma from our leaflets, booklet and newsletter
- Use our 0800 telephone helpline
- Take part in our web forum and discuss scleroderma with people from all over the world
- Get involved with fundraising to help us fund research
- Become a volunteer helper
- Join a local group
- Attend our annual conference

How much does it cost?

UK Membership costs £5.00 per annum or £20.00 for 5 years. Membership renewal is due on 1st April and we will send a reminder.
